

SHIRE PRESIDENT'S WELCOME

On behalf of the Shire of Carnarvon I would like to welcome visitors, guests and "ex Trackers" who have made this journey to Carnarvon to celebrate the 50th Anniversary of the First Landing on the Moon and our town's involvement in the space race.

Congratulations to all who have been involved, in not only ensuring visitors to the Museum will remember their visit, but will also go away with an understanding and appreciation of the critical role Carnarvon played. Thank you for allowing the Shire the opportunity to help celebrate the 50th Anniversary of the First Landing on Moon at this world class facility.

Karl Brandenburg, Shire President, Shire of Carnarvon

CHAIRMAN'S WELCOME

Since we opened our museum in 2012 we have welcomed several important people that served in the space race. For the 50th Anniversary of the Apollo 11 moon landing, we will be celebrating the people that worked at the NASA Carnarvon Tracking Station (the Trackers).

Our Trackers are getting on in years now. Many have died due to health and age issues. But tonight, we honour them all, for their important part in getting Neil Armstrong and Buzz Aldrin on the Moon and return them safely to Earth in July 1969.

I truly hope you will enjoy meeting and listening to our Trackers. Have a wonderful weekend.

Phil Youd, Chairman Carnarvon Space & Technology Museum
